

Workshop for Assessment Liaisons

Taking the next step!

Assessing Program-Level SLOs

Thursday, January 27

3:30-5:30 PM

Student Services Conference Room

In this workshop (offered previously in the fall quarter), we will build upon the outstanding work that you have done thus far within your divisions. Our presentation and discussion will prepare you to facilitate the assessment phase of program-level SLOACs in the upcoming winter quarter.

You play a central role in the development and success of SLOACs in your division—let's keep the ball rolling!
