If you have work conflicts, athletics, etc., you must make alternative arrangements at least two weeks prior to the scheduled exam date to allow for preparation of another exam. I will determine whether or not a legitimate conflict exists. Other exams, papers, or social events are not considered conflicts. You are expected to manage your time. **A PICTURE ID IS REQUIRED FOR ALL EXAMS**

**Final Exam:**

This is a comprehensive exam covering all eight chapters we have studied this quarter. It is not an optional exam and must be taken at the scheduled time.

**Quizzes - 40 points**

Chapter quizzes will not be announced. These in-class quizzes will be closed book and closed notes. There will be no makeup for missed quizzes. The quizzes will range in value from 7 to 10 points. There are approximately 80 points available throughout the quarter.

**Homework - 40 points**

Homework will be both on-line and manually done.

The on-line HW will be accepted only on the day assigned. There is a total of 40 points available, 5 points per chapter. The online HW will be graded by the CengageNow system.

Manual HW will be accepted only on the assigned day during the first 15 minutes of class. You must turn in a **machine copy** of your original manual homework. Homework assignment will be worth 5 points per chapter. There will be no credit for partially completed homework. Again, there are 40 points available.

**Financial Statement Analysis Project – 70 points**

This portion of your grade will require you and a group to analyze a current audited set of financial statements of a major US manufacturing or merchandising corporation. You and your group will then analyze these statements using the tools and knowledge you have gained in your financial accounting classes. You will participate in a group presentation in which your group will present the *highlights* of your analysis. A formal group report will be handed in containing the entire results of the group analysis.

**Important items:****Quizzes – Extra Credit**

The on-line quizzes due the same day the chapter is assigned to be read are extra credit. There will be 8 quizzes and each will be graded by the homework management system. The quizzes are worth a maximum 5 points each. A maximum of 40 points is available in extra credit.

**Attendance:**

Your class attendance is an integral part of the learning cycle. It is your choice as an adult to attend class. However, if you miss three consecutive classes, I may drop you. It is your responsibility to handle your scholastic life yourself. If you decide to drop this class, **YOU** do so in a timely manner. I cannot drop anyone after the final drop date.

**Personal integrity:**

I expect all students to do their own work unless otherwise asked to by the instructor. If there is a problem, the student/students will be sent directly to the Dean of Student Services. If the problem concerns more than one student, all students involved will be disciplined. Your instructor has the right to assign a grade of “F” for blatant infractions. If you have any questions, please consult the college schedule under “Academic Integrity”. Please, let us have no problems in this area.
