Associated Initiatives / Prior Decisions

Villages were launched on Welcome Day; students were sorted into Villages by major/meta-major.

Alignment to Objectives

The Villages Fall Events Initiative is aligned with the following core equity values as explained in our purpose and solution statement.

-We embrace the institutional responsibility to be student-ready and to proactively assist students in obtaining necessary resources.

-We aspire to create a culture of engagement, mutual respect, and meaningful interaction that will benefit our entire campus community.

Purpose and Solution

Students have been introduced to their Villages via communications from the College and through the Welcome Day programming. Now, our focus becomes connecting students to their individual Villages and to providing a sense of community along with academic or career-related resources.

Solution: Each Village will sponsor at least one event for members of that Village during Fall Quarter.

Purpose of Villages Fall Events programming:

A) To connect students, faculty, classified professionals, and administrators to their chosen Village and to start building community within each Village.

B) To introduce students to the academic environment of their Village and to the services/resources provided by departments/programs in that Village.

Key Activities, Timeline and Outputs

Activities	Start Date	End Date	Deliverable/Metric of Success
List key activities and steps required to achieve the project goal.	Enter start date for each key activity/step.	Enter end date for each key activity/step.	List anticipated outcomes to result from this activity when successfully completed.
See attached flyers / event descriptions.	See flyers/blurb	See flyer/blurb	Increased connection and community in each Village. Greater awareness of the resources offered by each Village.

Assumptions

1. Event & Activities Teams (EATs) will coordinate logistics and execute event as planned.
2. Canvas sites for each Village will include calendar of events plus promotional flyers for event. Students will know how to access their Village and access the promotional info.
3. Village EATs will communicate with faculty and staff in their Villages to invite them to participate in the event.
4. Office of Communications will help to promote several of the Village events via Quick Notes to students.

Campus Consultation and Impact Assessment

Success of each Village event depends on coordination and promotion by Village EATs. Each team has been instructed to develop a logistics and communication/messaging plan and to make invitations to those within their departments or across campus who need to be integrated into the planning and execution of the activity.

The EATs will coordinate with the Canvas Team to ensure events are publicized in each Village Canvas site.

Department Chairs and Deans will be requested to communicate event info and for encouraging department-level participation.

Resources	Explanation
External Resources	N/A

Project Funds – One-Time Funds						
<p>In this section, break out expenses by line item for new/additional <u>one-time</u> project costs.</p> <ul style="list-style-type: none"> List estimated one-time costs for implementing project, for example: recruitment or training costs, new technology, software upgrades, and one-time meeting or travel costs. Do not include existing staff compensation or costs already incurred. 						
Expense Description	Y 21-22					Total
vouchers/swag gifts	\$ 600.00					\$600.00
Describe expense.	\$ 0.00					\$ 0.00
Describe expense.	\$ 0.00					\$ 0.00
Describe expense.	\$ 0.00					\$ 0.00
Describe expense.	\$ 0.00					\$ 0.00
Total	\$600.00					\$600.00
Explain Expenses	We would like to provide each of the six Village teams with \$100 to go towards book vouchers for them to use as incentives and prizes with their events.					

Project Sustainability	
Project Costs after Y2021-22	Anticipated ongoing project costs will be \$600 minimum as there will need to be prizes or incentives every year as part of the community-building and resource activities of each Village event (whether virtual or in-person).
Sustainability after Y2021-22	By creating standard sets of activities and templates for event planning logistics and promotion, we are having each EAT creating systems that can be replicable and built upon to offer similar types of activities across Villages (whether virtual or in-person).

Please do not complete the below sections during the submission process. These sections are reserved for ongoing information gathering between reviewers and project team, as needed.

Villages Events-Fall 2021

ARTISTIC EXPRESSION

Winter Class Planning Workshop

Friday, 11/19, 11am-1pm on Zoom.

- Meet with faculty
- Check out highlighted classes from each department
- Learn about suggested pathways for each major
- Chat with a counselor about your schedule questions

Agenda:

- 11am-12pm: Presentations, Q&A
- 1pm-2pm Drop-in Counseling

BUSINESS AND FINANCE

See attached flyer for Winter Quarter Prep Party.

HEALTH AND LIFE SCIENCES

See two attached flyers:

1. Nurse Unseen
2. Public Health Careers

LANGUAGE AND COMMUNICATION

College Essay Workshop

November 18, 2021, 3:30-5:00 PM on Zoom.

Faculty from the Language and Communications Village and English Performance Success counselors will be available to help with college essays in interactive small group workshops.

Bring a draft of your essays or, if you haven't started writing, just bring your ideas!

Our faculty readers can help you with:

- Brainstorming and developing topics.
- Organizing your ideas.
- Improving clarity.
- Finding your voice.
- Presenting your story.
- Choosing an effective style.

PHYSICAL SCIENCES AND TECHNOLOGY

Fall 2021 Career Panel

The De Anza Physical Sciences and Technology Village invites you to a virtual panel discussion with experts in the field of Geophysics, Meteorology, Computer Science, Electrical Engineering, and Earth System Science.

- Craig Clements, Director of Interdisciplinary Fire Lab, San Jose State University
- Emma Nguyen, Senior Software Engineering, LinkedIn
- Peter Howell, Instructional Designer, Gavilan College

- Dr. Mika Tosca, Assistant Professor of Liberal Arts (Specialty in Climate Science), School of the Art Institute of Chicago
- Marvin Moreano, Product/Test Engineer, Infineon

The panelists will share their personal and professional journeys, talk about their work and experiences in their respective fields, and provide tips for success.

Date: Thursday, November 4th

Time: 4:30-6PM

To register, visit bit.ly/PSTCareer.

Questions? Email Khoa Nguyen at nguyenkhoa2@fhda.edu. Spread the word! We look forward to seeing you there!

SOCIAL SCIENCES AND HUMANITIES

Social Sciences and Humanities Village Presents...

Student Voices: "It Takes A Village..."

November 10, 3:00-5:00pm

The Social Sciences and Humanities Village invites you to join us for a panel discussion about the idea that "It Takes A Village..." Student panelists will discuss their experiences at De Anza, from choosing majors and connecting with like minds in their chosen field to how they are navigating their way to success. Come join the discussion on how the SSH Village can assist you in reaching your educational and career goals!

Haunted by how to register for your winter classes?

WINTER QUARTER PREP PARTY

REGISTRATION DOESN'T HAVE TO BE SCARY

THURSDAY,
OCTOBER
28TH

5-6:30PM
ONLINE

To Register, Visit bit.ly/BFRegParty

- Learn about classes in your major
- Meet with Faculty & Counselors
- Get advice from Business & Finance majors on picking classes

Hosted by the Business & Finance Village @ De Anza College

NURSE UNSEEN

DE ANZA'S WOMEN, GENDER, AND
SEXUALITY CENTER PRESENTS
